OBJECTIVE

Eager and motivated individual with a strong foundation in programming acquired through online courses. Seeking an opportunity to leverage my self-taught programming skills and passion for technology to contribute effectively in a dynamic and collaborative environment. Open to undergoing further training and development to enhance proficiency and deliver exceptional results.

EXPERIENCE

Food Safety Officer/All-Rounder Staff

- All-Rounder Staff: Cook, Server, Barista, and Receptionist.
- Inspection of facilities, machines, equipment, and waste management.
- Inspection of incoming raw materials.
- Inspection of storage conditions.
- Written incident reports. Observed the workflow of the cafe.
